Microfilm	13 rolls		Locality	Nebraska
-----------	----------	--	----------	----------

This card file index gives the surname, forename(s), address, certificate number or volume and page, title and location of court, country of origin or allegiance, when born or age, date and port of arrival in the United States, date of naturalization, and the names of addresses of witnesses. By no means are all of these responses reported in every case. The designation “N.I.” represents “not indicated.” The minimal information given includes the name of the individual, the title and location of the court, and the date of the naturalization.
